Breaking news from our E-mail Update

01/20/2006

Spokane Tribe plans big multiphase development ...

The Spokane Tribe of Indians announced today plans for a three-phase development on 145 acres of land near Craig Road, on the north side of U.S. 2, bordering the city of Airway Heights. The entire project ultimately would employ 2,100 people, although the first phase of development will involve construction of a SPOKO Fuel facility, which will be open 24 hours a day and will have fueling stations and a deli area with seating, the tribe says. That facility is scheduled to open late spring.
